## Changes in Section I

The following clauses which are incorporated by reference have been added or modified:

**5252.237-9503 Ordering Procedures For Navy Marine Corps Intranet (NMCI) Services SEP 2000**

In accordance with the terms of the incorporated clause, verify with your Government representative the need for any services to be provided by that contract. As described by that clause you will be required to obtain written authorization from the Contracting Officer of this contract in order to be allowed to place orders against the NMCI contract.

In addition to the initial approval to order NMCI services, if you determine that you will need to make an equitable adjustment to the contract and/or delivery/task order totals due to the cost of obtaining NMCI service, obtain PCO approval prior to placing an obligating order for NMCI service. This verification is required in order to preclude any risk of violation of the Antideficiency Act caused by creating a Government obligation without sufficient funding.

**5252.237-9503 ORDERING PROCEDURES FOR NAVY MARINE CORPS INTRANET (NMCI) SERVICES (SEP 2000)**

- (a) This Support Services contract may require the use of and/or access to Department of Navy (DoN) Information Technology (IT) Resources by contractor personnel for contract performance. Applicable DoN IT Resources for performance of this contract shall be procured from the NMCI Contractor pursuant to the authority of NMCI Contract # N00024-00-D-6000, clause 5.2 "Ordering."
- (b) The Support Services contractor shall obtain written authorization from the NAVAIR Contracting Officer executing this contract, prior to ordering directly from the NMCI Contractor. No NMCI Order may be placed without the prior written authorization of the NAVAIR Contracting Officer. Any NMCI Order exceeding the written authorization of the Contracting Officer shall be treated as an unallowable cost pursuant to FAR Part 31.
- (c) The Government shall reimburse the contractor for the placement of NMCI Orders including applicable indirect burdens (general & administrative, etc.), excluding profit or fee.
